

FACTS	What does Boost Mobile do with your personal information?
--------------	--

Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share and protect your personal information. Please read this notice carefully to understand what we do.
What?	The types of personal information we collect and share depend on the product or service you have with us, and includes information you give us and information we collect automatically whenever you use our services. This information can include: <ul style="list-style-type: none"> • Social Security number and income • Account balances and payment history • Transaction history
How?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons Boost Mobile chooses to share; and whether you can limit this sharing.

-------------------------------	--

What we do

How does Boost Mobile protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
How does Boost Mobile collect my personal information?	<p>We collect your personal information, for example, when you:</p> <ul style="list-style-type: none"> • Use your credit or debit card or pay us by check • Apply for financing • Give us your contact information or provide account information <p>We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.</p>
Why can't I limit all sharing?	<p>Federal law gives you the right to limit only:</p> <ul style="list-style-type: none"> • Sharing for affiliates' everyday business purposes—information about your creditworthiness • Affiliates from using your information to market to you • Sharing for nonaffiliates to market to you <p>State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.</p>
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account.
